

The Bull Inn

All Food & Drink – Strictly Table Service Only

Please note we have followed the government guidelines carefully and have added additional measures as necessary.

The Bull advise that everyone books a table for food in advance

- The Bull will operate a strict one-way system whilst inside. When you arrive, you'll be greeted and asked to provide your name and contact details which is the current government requirements to aid the Track & Trace programme. You will then be shown to your seat where you can then place your drinks or food order.
- Entrance is strictly via the Front Door and Exit via the Rear Door, which are clearly marked including directions to and from the toilets.
- We will be implementing a strict Table Service Only policy for food and drink.
- Once we reach capacity, no one will be allowed in the premises until a table becomes available after being sanitised.
- If you're dropping in for drinks only without pre-booking, then a table will only be available on a first come first served basis.
- If you wish to dine, bookings will need to be made online for the restaurant with a maximum of 6 people from two households. This is keeping in line with government guidelines.
We recommend you book in advance to avoid disappointment.
- No customers at any time will be allowed to stand, sit or loiter at the bar
- No tables are to be pushed together to form larger groups.

Staff will be checking and sanitising all toilets every hour and we ask for your patience during this period.

Outside Area

If anyone wishes to use the garden seating area which is not under the canopy, then please be aware that if the weather takes a turn for the worst, you may not be able to enter back inside the premises unless there is a sanitised table free to use.

All social distancing rules must be strictly adhered to as service can and will be refused

All children must be supervised at all times.
